SUMMER COURSE 2011

5 weeks from June 13 - July 16

Dear Students, Parents, and Friends,

We have expanded our Summer Course to 5 weeks this year! We also have single-week registrations.

The *Pacific Ballet Academy* will offer different summer courses at our Mountain View campus. We will have intensive daily classes for students 9 and up, and flexible weekly classes for young children and those who prefer a light schedule.

INTENSIVE CURRICULUM (daily classes)

Students 9 & up who are at an intermediate or advanced level (Levels IV-VII) are welcome to participate in this diverse program. The curriculum includes a daily ballet technique class, followed by another class from the following selection. Not all classes will be offered to all age groups, as some are dependent on a high level of proficiency and age.

Ballet (daily classes)	Pointe (for current pointe students)	Pas de Deux
Jazz	Modern	Variations
Character	Ethnic folk dancing (Flamenco, Kathak, etc)	Choreography
Pilates	Floor Barre & Stretching	Costume Design
Nutrition	Dance History	

This is an excellent way of gaining the benefits of an intensive ballet course, while exploring other dance forms and related subjects. The advantages of a daily ballet program cannot be emphasized enough, and our students make excellent progress each summer! This is also a good way for late starters to catch up to their age group and level.

The Level IV & V program is 3 hours a day from 9am-12noon.

The Level VII and VI program is 4 hours a day from 12:30-4:30pm.

FLEXIBLE CURRICULUM (weekly classes)

We also offer a flexible program for young students or for those who cannot make a daily commitment. These classes include Pre-Ballet (ages 4 -6) and Ballet I (ages 6-8), and II/III (ages 7+). Ballet IV-VII students (ages 9 & up) can take our Open Ballet classes for Adults and Teens. We will accommodate all students, especially new beginners of any age. Please call us to discuss appropriate programs and placement. Drop-ins are allowed in these classes. Private lessons can also be arranged.

No audition is required, though new students must take a placement class to determine the appropriate level. *Our students have first priority in registration before May 20th*, open after this date to all interested dancers. To reserve a place in the intensive or the flexible program, submit the enclosed registration form and a \$50 deposit per student (deduct from total amount). Full tuition is due June 6th. There are no refunds for classes missed except for prolonged illness or injury. In the event of a withdrawal, the school must be notified in writing. Once classes have begun, tuition is non-refundable.
